QUESTIONS

The following Questions were submitted under this procurement.

1. Is there a total page count / maximum number of pages?
 - a. There are page limits for certain sections but there is no maximum page limit.
2. Can we Prime AND sub?
 - a. That is between you and the prime team member. ALCOSAN has no opinion on the matter.
3. Tabbed Section 1 - Do we include SF330 Part I Section F in this section and in the complete SF 330 Part I?
 - a. The SF 330 should be the submittal and not in addition to the submittal. Your submittal should be the SF 330 forms Part 1.
4. Tabbed Section 2 - Is the matrix of the projects identified in Section 1 in addition to Part I Section G of the completed Form SF 330 Part I? Anything specific requested for Section H?
 - a. Please see the response to Question 3.
 - b. Section H is limited to those items that have not been covered in the other sections. Please keep the information to project-related and not marketing information. Please keep Section H to no more than two (2) pages.
5. Tabbed Section 3 - Does the National Minority Supplier Development Council (NMSDC) certification satisfy the MBE requirement?
 - a. As long as the NMSDC is not a self-certification, their certification is allowed.
