1) None.

INFORMATIONAL

No Informational Meeting was held under this procurement.

QUESTIONS AND ANSWERS:

The following Questions have been submitted under this procurement.

1. Database size?
   a. ALCSEC   3805184
   b. ALCDATA   21566468096
   c. ALCCOMM   1496383488
2. User count by module?
   a. Unable to quantify by module, approximate 25 active users.
3. Level of customizations (object count, if possible)?
   a. Cosmetic customization for Purchase Order Print and Match Open Purchase Order. A/R transactions are imported from billing system. Time transactions are uploaded from time and attendance system.
4. Current technology (hosting, oracle, windows, IBM, database, web server, etc.)?
   a. iSeries on an IBM POWER S914 (green screen technology).
5. Future Technology (hosting, oracle, windows, IBM, database, web server, etc.)?
   a. Staff experience lies in Oracle Database on Linux operating system and administrating an iSeries. No experience with administrating Windows operating system or web servers.
6. Modules - are all currently in World?
   a. Yes
7. Current licensing for World?
   a. Yes
8. Is client licensed for EnterpriseOne?
   a. Yes
9. Is there an expected timeframe for the duration of this project?
   a. Please refer to schedule in RFQ
10. We are inquiring about section 25 [of SF 330] and seeking guidance if this was for our use of contractors that we used to fulfill the project - or was it referring to other vendors that participated in the project (direct contract with ALCOSAN)?
    a. This requirement is for your team members.
11. Page 2, Section 4.0 "Scope" "Provide the JD Edwards 9.2 Product" – by saying "provide", does this mean that you want the chosen vendor to sell you potential licenses that would be added (if new licenses) or would you purchase any updated licensing through Oracle directly? Or does "provide"

mean that ALCOSAN is looking for any vendor to host their JD Edwards system externally in a public or private cloud?

    a. ALCOSAN already holds the license for the EnterpriseOne product. We are looking for a vendor to provide the software installation and assist with data migration.

12. We have worked for other areas of Allegheny County in the past, are we allowed to also submit additional credentialed information about our firm (as an appendix) as we submit this RFQ response?

    a. You may submit additional information as an appendix, but proposers are cautioned against providing marketing brochures and similar information. The information provided should be directly about the project

    b. ALCOSAN is not part of the Allegheny County procurement system; we are a municipal authority.
