## ALCOSAN Municipal Coordination Tracking

### One-on-One Meetings

- Purpose** The One-on-One meetings with the ALCOSAN customer municipalities are facilitated by the Basin Planners. One-on-One meetings are critical to the required exchange of information between ALCOSAN and its customer municipalities.
- Participants** Meeting participants may include the Basin Planner, ALCOSAN PM, municipal elected officials, their public works staff, and consulting engineers.
- Frequency** One-on-One meetings occur on an as-needed basis, generally at the discretion of the Basin Planner or ALCOSAN PM.
- Comments** \*This municipality has minimal contributing area within the identified Basin and as a result One-on-One meetings were held with the Basin(s) they have greater contributing area in  
 \*\*One-on-One meetings for this municipality are held by McCandless Township (MTSA) on their behalf.

## ALCOSAN Municipal Coordination Tracking

### One-on-One Meetings

- Purpose** The One-on-One meetings with the ALCOSAN customer municipalities are facilitated by the Basin Planners. One-on-One meetings are critical to the required exchange of information between ALCOSAN and its customer municipalities.
- Participants** Meeting participants may include the Basin Planner, ALCOSAN PM, municipal elected officials, their public works staff, and consulting engineers.
- Frequency** One-on-One meetings occur on an as-needed basis, generally at the discretion of the Basin Planner or ALCOSAN PM.
- Comments** \*This municipality has minimal contributing area within the identified Basin and as a result One-on-One meetings were held with the Basin(s) they have greater contributing area in  
 \*\*One-on-One meetings for this municipality are held by McCandless Township (MTSA) on their behalf.
