

ALCOSAN Virtual Open House 2021

Certificate of Completion

THIS CERTIFICATE IS AWARDED TO:

Note to Educators: The virtual extra credit activities, available for all grade levels, are aligned to the Pennsylvania Common Core Standards for education in science, technology, engineering, math, the environment and ecology. The amount of extra credit awarded to students for their participation is solely the discretion of each teacher. Please support students from your classroom by awarding extra credit for their participation in our virtual Open House 2020.

For questions regarding this certificate, please contact soevents@alcosan.org.
